

EXPAT PROTECT HUB

BRAND PRESENTATION
2026

We Make Your Insurance Easy.

International health & life insurance for globally mobile individuals — 120+ countries, same-day activation, and 100% acceptance.

expatprotecthub.com

Life abroad shouldn't come with insurance headaches.

- Confusing plans with hidden exclusions
- Lengthy medical questionnaires and waiting periods
- Slow activation — cover doesn't start when you need it
- No real support when you're in a foreign hospital
- Plans designed for locals, not for globally mobile people

Your Global Insurance Partner.

Expat Protect Hub is a specialist international insurance brokerage built exclusively for expats, digital nomads, and globally mobile families.

We partner with fully regulated insurers to deliver plans that are simple to understand, fast to activate, and built around your life — wherever in the world that takes you.
